

The gift you don't want but you really need

Power distance

Examples of significant power
distances in medicine?

Purpose

Honest feedback from
students about the CLE at
clinics

A decorative background featuring stylized tropical plants. At the top, there are pink hibiscus flowers and green monstera leaves. At the bottom, there are more green monstera leaves and pink hibiscus flowers. The background is a dark teal color.

CLINICAL LEARNING ENVIRONMENT

*Feeling tired? Hungry? Want to make
a difference?*

Tuesday ,27th May
HW Snyman 7th floor
17H30-19H00

Give input into the future of
training students at clinics

Pizza and wine if you
RSVP Dr Eales
whatsapp
0761829402

Knowledge café

- Participatory Informal way to discuss issues
- Small groups, participation 4-5 in group. 10 minutes. Rotate
- Build on existing knowledge
- Harvest information

DISTANCE ●●●●●

1. Shuttle services - allow ind. to opt out of that

2. univ cars regulation ⊕ group visits
⊕ buses to + clinic routes

3. LCAS amount ⊕ toll gates ⊕ RELEASE ASAP

4. Factor } distance of living to placements ●

5. Regulate } no. of stds per facility ⊕ optimize learning ●

+ monitor travel distance

esp. for living arrangements i.e. JCBURG vs.

+ univ. meet us halfway L res PROOF

→ guide group leaders on this matter ⊕ 1st come vs. fairness

6. Orientation - acknowledge DISTANCES - uber - KM

7. LCAS - separate fam med to private psych
- factor in distance ⊕ REGULATIONS ●

Honest feedback

- “Dr Eales, you really need to pull up your socks in the administration of this block!”
- “The way you allocate students to different clinics are really unfair”

Tips to elicit honest feedback in high power difference situation

Make time

Choose the right person

Ask direct questions

Show gratitude
